BE  
PREPARED!**

# CERT

LEARN. PREPARE. RESPOND

# FIRE SAFETY

The **CERT Fire Safety app** presents the national CERT **Fire Training materials** in a comprehensive, easy to navigate, attractive app for **iPhone, iPad and Android**.

In addition to ALL of the CERT Fire Safety information, the app offers informative graphics and illustrations, as well as interactive exercises that make **Fire Safety, Preparedness and Response** easy to understand, grasp and learn.

If you're a CERT member, this is an essential reference guide to keep on hand, during training, or as a refresher. Even if you're not a CERT member, this material can help save lives and property.

**Don't let another day go by without being prepared for one of the most common emergencies: Fire. Learn, prepare, prevent and respond.**
